We are running this event to give a platform to local, independent makers and retailers to sell their work and create a regular, inclusive event that embraces the spirit of Deptford. We want to create a positive experience for sellers and customers alike as well as residents of Deptford Market Yard and our wider SE8 community.

These T&Cs are intended to set clear expectations for everyone we work with to make sure that the market runs smoothly, so that both us and you can work together to make this a successful event for everyone.

## **Cancellations**

We do not have the financial flexibility to be able to refund table fees with any level of notice so please make sure you only accept if you are free on the day of the market.

This is an outdoor market, with covered stalls. We cannot predict the weather. Deptford Flower Market is completely self-funded and self-organised by us, and therefore we do not have the financial ability to refund stalls once you've secured your spot. By applying and securing your spot, you have acknowledged the effect this may have on your stall.

If you need to cancel due to unforeseen circumstances of any kind please give us as much notice as you can so that we can try and find someone to take your spot and we will try to give you another date if possible.

## **Expectations during the event**

On the day of the event you are expected to:

- Arrive on time - the time you're expected to arrive will be in your information email - but usually it is an hour before the market opens
- If you are unable to arrive on time please get in touch as soon as possible to let us know
- Follow shared guidance on drop-off/pick-up points if arriving by car/van
- Accept the stall that you have been allocated - we are unable to promise specific stall locations to individual stallholders. All the stalls are well-located, close to both Deptford High Street and the existing Deptford Markets.
- Bring the products for sale that your application was based on.
- Take all rubbish/waste with you at the end of business, or make use of the bins on-site. We are a small team, and will not be able to provide cleaning services for the whole site.

**By submitting an application/securing your spot you have agreed that you have read through the terms and conditions.**
