About us

Ru

Ru has run market stalls all over London including at Tower Bridge, Camden, Spitalfields, Greenwich and Kings Cross.

I've worked in marketing, arts, education and retail for over 20 years including for local councils, theatres, cinema chains & more.

Stu

Stuart is an experienced administrator and writer.

He has assisted in running our stalls, and the logistics/operations functions of the markets we run.

Together we have run To Do List - our offbeat guide to London for over 12 years, and in the past have run several successful markets like:

- Going for A Song - local market and open mic at Amersham Arms (New Cross)
- House Clearance - boutique market in Jaguar Shoes/ Dream bags (Shoreditch)

We are Deptford locals and live 2 minutes away from Deptford Market Yard. We love Lewisham and raising our 3 beautiful cats there.
